“ *Mary had a gift for hospitality....she expertly cooked and was known for her kindness. she loved cards and pool and puzzles and movies. And she loved her masses. i am not catholic but it was a wonderful experience for me .*

her favorite and probably only rap song was hate on me by jill scott. we both found humor in the lyrics.

i miss her already and can safely say i have never met anyone like her she was a one of a kind.

because of her, always telling me to not cut my hair i m going to grow it and donate to

"locks for love"

everybody loved Mary s hair too !!!!
