“ *I served with Lynn in the Army at Ft. Belvoir and again in Germany. Lynn was good natured and a pleasure to work with. I always will remember us playing volleyball and Lynn would be up on the net and would always pass the ball to someone else to spike it. She for some reason couldnt jump high enough. We always joked that she was a gravity anomolly. My sympathies to the family. I know she will be missed.*

“ I've been trying to figure out how to put my feelings into words. I was very sad to learn of Lynn's passing. Once again, looking back, you wonder how you didn't keep in touch more with people in your past. Lynn was one of my troops when we were stationed in Germany. She was older than most other new troops, so it was refreshing to deal with her without getting the kid attitude so prevalent with new young troops. We became good friends over the years even though we had different opinions on many issues. We talked occasionally and saw each other after she left the military. I really enjoyed visiting her and Don when Rich Huck and I went to Wyoming for a special occasion. She was such a great and caring person. She will be missed. My condolences to Don and her family.

“ So very sorry to hear of Lynn's passing. We worked for the City of Cheyenne at the same time, many years ago. Lynn was very intelligent and could tackle any challenge with a unique perspective. She was a lot of fun. My condolences to Don and her family.

“ Alan, I'm sure you don't remember me, but I've had to pass the Jewish Center many times in the last 2 years and I think of all the good times we had there. Lynn was a very special friend all those years and I regret losing her as a friend. I am so sorry for your loss, I think of both of you often and with many great memories. Caren Sangston Kulchock

“ Lynn was was my supervisor and mentor at the Herald Standard newspaper in the 1980's. She was extremely bright and lived life to the fullest. I lost touch with her over the years but I would often wonder where she was and how she was doing. She was one of those people you remember fondly long after they moved away. I am so sorry to hear that she is gone too soon.
