

## Mary Helen Orton

October 2, 1944 - October 24, 2024

Mary Helen Hayne was born on October 2, 1944, in Pasadena, California to Charles and Letha Hayne. She spent most of her life in Los Angeles, California. As a young girl her ambition was to raise a family. She graduated from Pasadena City College in 1964 with an associate degree in dental assisting. She married Dan Anderson on June 20, 1964. They had three daughters together whom she stayed home with to raise until her life circumstances changed. At that time, she began working for Bank of America where she remained for 36 years. She was a very hard worker who poured her heart and soul into independently caring for her three daughters. She married Robert "Win" Orton on May 22, 1976. They enjoyed many years together spending time on the Colorado River, bowling, and singing karaoke. Mary was meticulous and orderly. She was an excellent seamstress and loved sewing matching dresses for she and her three girls. She even made one of her daughter's wedding gowns. Her greatest joy was in seeing a task accomplished for those she loved.

Mary is survived by her three daughters: Rhonda Frakes, Jodi Kinder, and Tanya Kisner. She is also survived by her grandchildren: Adam Kingston, Austin Kingston, Brooks Watkins, Molly Watkins, and Mallory Kisner. In addition, she is survived by her great grandchildren: Harper Nielsen, Conor Robles, Maverick Kingston, Emma Kingston, Shephard Kingston, Jedidiah Kingston, and Kaia Kingston. Lastly, she is survived by her four siblings:

Charles Hayne, Jr., Nancy Hawkins, Linda Cotterall, and Kent Hayne.

“ Dear Rhonda, Jodi & Tanya,

*My condolences to your whole family.*

*I'm so sorry for the loss of your mom. There is nothing quite like it, so you three are in my continued prayers. I know it has not been easy. I hope you will find comfort in many sweet memories over the years and more recent with her, and in visualizing her at the Great Reunion, as we know the journey doesn't end here. Personally, I'm picturing her with your precious Nana, rocking in some kind of glider holding hands and finally having some relief. Maybe your Papa's sharing a crazy joke or two! I'm sure humor is what all three of you leaned on during some of your hardest days. I hope you are already comforted in knowing that you literally thought of every possible option to provide for her world. I'm sure bringing her to where you live so she had all three of you nearby and present at such a time was not easy, but she needed you. So you made it happen. Thank God.*

*I admire your mom's strength, especially during her years as a young mother. She was determined, very smart and driven. Smiling now, remembering being a teenager and knowing she would get up at the crack of dawn, 4am before anything else, pop in that Jane Fonda Aerobics video to get her workout every day before work. Left me thinking, she's a doer not a talker! :-)*

*Mary's legacy is what I will remember. Ultimately she raised three extraordinary daughters, she must have been very proud of. These three daughters know something about how to love someone and be there for them. Your mom's light continues in you.*
