Hi Alice, this was a very nice tribute to your precious mother and her life. Soon and very soon we shall see our precious and much loved departed loved ones again. I pray The Lord comforts you and family day by day in Jesus name amen. Every time I think of my mom, I ask Jesus to tell her hello for me. This brings me comfort as does knowing she and all family who have gone ahead are rejoicing in the beauty and splendor of heaven. Just being with Jesus brings great delight to me and im sure for them. I pray The Lord confirms you as only He can by giving dreams and visions of your mom. Love and blessings always.

My precious very much loved Aunt Cora mom's sister was like a second mother to me and she and mother, along with Aunt Maria, were very close to each other and loved being together. Aunt Maria is still alive, PTL, but mom and Aunt Cora, who passed first are in heaven and enjoying heaven together, at least this is how The Lord shows me in dreams. So, I pray the same for and your sibs. May The Lord our God grant unto you peace, love and abundant blessings in Jesus name amen!
