“ To Richard, Sam and Larry my love and prayers are with you. How I loved Mary. We shared so many happy times together as well as times when her heart was aching. I will always remember her with fondness. She fought a good fight and kept the faith. Well done, good and faithful servant. Please keep in touch Richard...from a Neighbor and friend Liz Jacobson

“ I loved Mary's spirit and her love for her boys! It was a pleasure knowing her and getting to finally meet her. We lost touch over the years and I wish I could have connected with her again. Sending peace and love to her family!

“ Mary was my Sister-in-Law and from the moment I met her in 2009, I loved her. She was one of the most welcoming and happiest persons I have ever known. Her Greatest Joy was her 3 sons, Larry, Sam and Richard. Mary has earned her wings & Heaven has another Angel. She is at last at peace. I Miss you Mary,

“ Miss Mary was a beautiful and kind Southern Lady to the end. I only got to know her in the last few years, it was a blessing to have crossed paths with this extraordinary woman. She had a heart of gold filled with so much love and compassion. It was a pleasure to have her over on the Holidays and seeing her eyes light up when she was handed a plate of holiday fare or even a piece of pumpkin pie. I know in my heart I will cross paths with this Beautiful soul. Miss Mary, it comforts me to know you are watching over us with the love you shared while here on Earth. And please know, that Richard is part of my family and I will watch over him until we all meet again.

“ It was our great pleasure to know and be friends with Mary. After a long telephone conversation with her on Sat. 1-25-14 I came home and wrote this memorial song for her, that I hope her brothers, children and friends enjoy. Mary Zebley Song -I can hear her laughing, yes, and I can see her smile. -Memories of Mary, I have once in a while. -I could feel her caring, yes, and I could see her love. -A daughter of our Father, that sent her from above. -She knows of Jesus' mercies, and she has heard His call, -She gave her time and talents to bless the lives of all. -For the three she loved the most and worried for their care, -Richard, Sam and Larry too, yes, she was always there. -So we say goodbye to her, in memory we will sing -Of admiration for her life, our thanks for everything. -Now she returns to our Father and His Holy Son. -She'll be there, with those who care, waiting for us to come. by Evan Maw
