“ Dear Lisa and Family, I remember meeting Theresa and Matt at Woodside Country School when Matt was probably about 3 years old. My two sons were one year older and one year younger than Matt. We've been family friends since then sharing birthday and holiday events through the years. Matthew was always such a sweetheart. Suicide is so hard to understand, and painful for those left behind. I know you were a wonderful and supportive sister to Matt, and I know he appreciated all you did for him. I'm so sorry for your loss. I love the picture you chose.
