“ *I knew Mattie back in 2012, and she was an absolutely incredible young woman, and helped me through a lot just by being her. I just found out about what happened, and my deepest condolences go out to her family. I can't believe this, and it breaks my heart to know that such a beautiful person could be taken from this earth so soon. Although Mattie and I didn't stay constantly in touch, the small conversations we had over the last couple years will be cherished. Thank you so much Mattie, for all that you did for me. Rest in Peace...You deserve it.*

“ *Family & friends of Mattie,*

My sincerest condolences to you in this time of grief. I am just one of the many girls who were privileged to meet Mattie at CFC. She was wise beyond her years, had a great sense of humor, and a kind heart.

Although I had been out of touch with her for the past couple years, I still loved her very much. I'm so proud of her for doing so well in school and being awarded that scholarship.

I cannot imagine the pain your family is going through, losing a loved one at such a young age. she will be remembered by so many. Prayers of comfort are being sent your way.

*With love,
Katie Brinkman*
