

Melanie Marie Mahoney

June 1, 1949 - April 19, 2024

Melanie Marie (Hellwig) Mahoney died April 19th after a heroic battle with cancer. Born in Missouri, she held a master's degree in audiology from Western Illinois University. She found success in this field in both St. Louis and Fort Collins. As a proud resident of Glacier View Meadows since 1986, Melanie cherished nature. She was beloved by the many dogs and cats she rescued over the years and will be deeply missed by her family and friends. An intimate celebration of life will be held later this year. Donations in Melanie's honor may be made to Noco Humane or The Dumb Friends League.

“ *Melanie will be missed by many, including myself and my dog, Missy. Melanie always waved as we walked by, and we would sometimes stop to chat. Melanie was so sweet, kind, and helpful. RIP Melanie - my neighbor and fellow animal lover.*
