“ I just wanted to send my memory of Dolly as the only name I knew her by. Newt and Family I remember her from our days in Boulder, CO. We lived on 4th St. and you lived across the street from us. My name is Margie Winter. I lost my husband here in Fort Collins (his home town) in 2006. I have two sons, one of which was the same age as Greg. His name is Bryan Winter, my oldest son's name is Danny Winter. Bryan lives here in Fort Collins and Dan lives in Golden. I have no grandchildren, but have a few relatives living close by. Dolly was a beautiful person, inside and out. May God comfort you at this time.

Sincerely,

Margie Winter
