“ *It's so hard to believe he is gone. So much of his life was still ahead. Although we might not have been so close as we got older, I remember all the times we spent together as kids, all the cousins together. When we would have family get togethers and play volleyball or going on trips together. I will miss Mikey greatly but I know he is resting easy with Auntie Diane. I love you Michael, I wish we could have spent more time together*
