“ I met Michael four years ago at the Rio dancing Salsa. He was always very open to making friends. I remember Michael invited me to his house for drinks not long after meeting him. He was so open to people and great at making others feel welcome. He was a great person, not just to me, but with everyone he met. He was a kind person willing to anything he could for friends. He will be missed by many within the Salsa community. Our condolences for Michael's family, and wife, Lisa.

“ Michael was one of the first people I met when I started salsa dancing. He was a welcoming and integral part of the community who inspired others to incorporate the love of dance in their lives. I loved following his graceful, elegant lead and getting to know him and Lisa. His smile and charming personality lit up the Rio. Michael will be much missed, and I am fortunate to be one of the many to whose lives he touched.

“Michael was a wonderful, caring man. I was a member of his Divorce Support Group. He helped me and so many others get through a period in our lives that was heart-breaking. He was always available to talk, to give advice, or to just be a friend. I am so very fortunate to have known him.

My heart goes out to Lisa and the rest of his family. Please, if possible, take solace in knowing that somewhere there is a bright light shining because of Michael. He will be forever loved and missed.

“I only met Michael once, and that was at Brook & Joe's wedding. As you know, Michael and Brook's Mom, Angela, walked Brook up the aisle. He was so proud. I thought, "What a gentleman!". After that, we remained FB friends, bantering about a lot of social issues.
