Michael Brent Netik
1942-2015

Mike was born in Los Angeles, CA on September 26, 1942. He attended school in southern California, where he met his wife Sharon Lewis while they were in high school. They married on December 23, 1961. He passed away on December 26, 2015 with his family at his side, three days following his and Sharon's 54th wedding anniversary. Mike served in the US Army from 1962-1968. He and Sharon had three children, Jennifer Sprenger (Mike), Kevin Netik, and David Netik (Jennifer). Seven grandchildren, Eric, Kayla (Nick), Marissa, Sarah, Tyler, Zachary, and Caden. Four great grandchildren, Ria's, Aiden, Sydney, and Xander. All survive him including his very special niece, Joann Hauswirth.

Mike was the owner of Phoenix Turbine, where he specialized in the jet engine industry through his whole career. Mike and Sharon loved to travel, they enjoyed trips all over the world. His favorite places were Rome, Italy, and their 2nd home in Maui. Mike was a loving husband, father, grandfather, and great-grandfather. He adored them all dearly. He will be missed by everyone who knew him. We know he is out of pain now and look forward to seeing him again.

We love you and miss you so much!

No service will be held due to Mikes request. We would especially like to thank Pathways Hospice for their loving care.

“ *Sharon, Jen, Kevin and David. I was so saddened to hear of Michael's leaving us. He had always shown courage in light of his health and never let any physical condition keep him from what he valued, his family, his profession and his love of life and travel. His spirit was also a gentle one, sincere and forthright. Mike was someone that left an impression, someone I was proud to have meet and worked with.*

“ *My papa was a great man, the kind of man you never forget. One who loved dearly, worked hard, was honest, smart, and funny. The kind of man you would hope your own son would grow up to be. I'll always remember his love for football, especially for the Denver Broncos. I'll always remember his tight hugs, popping his knuckles, and watching the movie Christine by his side. I remember a lot of my grandfather being strong and always putting his family first. He was always working on something or doing something for the people he cared for. I would love hearing his stories of his "greaser" days, watching him working on his Oldsmobiles and sitting at car shows. He is missed so very much and always will be. The amount of support we have received has been so great and we appreciate it very much during this difficult time*

*Love you papa!

Mike was my brother-in-law but was more like a brother. I have so many memories of good times and crazy times. He liked to tease and I was at the receiving end a lot! He was a good man who loved his family. I will miss him so much.
