“ I am so sorry to hear about Michael, I knew him from attending Holy Family School. He was a nut back then and from what I hear, he was still a jokester. Nardo and Diana I am sorry for your loss, my prayers are with you.

“ I was very surprised to see the funeral notice. Mike and I were friends from Junior high through High school, and seeing him once in awhile in the past were always moments of laughter and reminiscing the past and catching up on what we were doing today. I'll miss his friendship and spirit of humor. My condolences to the rest of the family.

“ His family has my condolences. He was older than me, so we did not attend school together or hang out. But I new the family from my older siblings and my parents. I also worked with his wife at LSI for a few years. I remember Mike used to always grab me to help out with the 7:00 PM collection on Sunday evening masses. Now I regularly usher masses. I will not be able to attend his funeral because of work.

“ I am sorry for your loss. My thoughts and prayers are with the entire family. I have only good memories of Mike. He would always made me laugh when I needed to. My favorite memory of him is all his funny sayings "Why do they call it toothpaste, when you have to brush your teeth, why don't they call it teethpaste?!" He will have Heaven laughing. Love you all, Jodi
