“ My heart-felt condolences to Mike's family. I drove Mike each week home from dialysis with SAINT and I can honestly say I looked forward to Wednesday. Mike did not dwell on his illness, in fact I had no idea what his status was... he never said. We would talk about grandkids-- he was so proud of his and excited for the birth of his latest, his sons and what they were doing, HP and Loveland history, etc. Mike was a charming person and a joy to know. “ My condolences to all of Mike's loved ones. He will be dearly missed. I have many fond memories of my Uncle Mike. Playing poker, watching the Broncos and playing croquet in the back yard are just a few. He has been loved by many.

“ Although we've grown apart, I will always remember how special our parents' friendship was, right up until my dad Ken Cooper died, and the great times Carol and I had when we were with you, Sharon and baby Sally.

“ Mike, I will never forget your gentle kindness, your love and support, and your infectious smile. May the Lord bless and keep you; and his face shine upon you and give you peace. I will miss you, but never forget you. I love you. To those Mike has left behind, may the love and support of your family and friends fill your hearts and give you strength. Hold tight to your memories for comfort. You are in my prayers today and always.
