“ Hello to Mildred's family. I am so sorry to hear of Mildred's passing. She crossed my path when she began selling Sam's rental properties and I had the good fortune to meet her and close those transactions for her. We had lots of fun together at the Closing Table with her agent, Neva Lippert. She once told me that she wanted to get some leathers and find someone to drive her to the furniture store on a Harley so she could surprize her son. I wonder if she ever got to do that?!! Mildred is the definition of being a Lady. I loved working with her. I will miss her and giving a wave whenever I was in Colorado and drove past her house on the corner of Lemay and ?? Parkwood? Anyway, I feel fortunate to have known her. My heart goes out to you. She'll not be forgotten!
