“ *My condolences to the family. My Mother-in-Law and Father-in-Law (Carolyn and Ralph Tryon) spent many happy hours with Miriam and Bus. As you mourn the loss of your loved one, they join you in mourning the loss of their friend.*

Miriam always had a cup of coffee and a cookie for us when we stopped to visit. She and Bus were some of the first people to see our sons Tom and Jim, after they were born, back in 1990 and 1992. Last fall, we took her up to Estes Park to hear the elk bugle and smell the Ponderosa pine trees, they smell like butterscotch or vanilla, she was so happy to learn that!

She will be missed by all of us. She was my mom's (Juanita Cowan) best friend. We used to pick her up on a Friday night and take her to the Berthoud Senior Dances. She loved to dance, and when we visited her in the past weeks, she wanted to go again.

Rest In Peace Miriam! We love you and you will always be in our hearts.

“*Miriam was a true joy and blessing in my life. We met when I was her SAINT driver for six years and then, for the past two years I picked her up on Wednesdays and we went to the beauty shop, ate lunch out and ran errands that she needed done. She was like a "second mom" to me and I will always treasure the time I had with her. I love her so much and will never forget her.*

I will always remember the one Sunday we went to visit her at the nursing facility, about two or three weeks ago, and as soon as she saw me, she said " I'm hungry and I want fried chicken, mashed potatoes/gravy and a biscuit." So my husband went to KFC and brought the request back. She ate it all. I was so glad to see her eat and enjoy it.
