“ My sympathy to all the family, Francine will be missed and we are all grateful to have known her. May you all have comfort in knowing she had the love of Christ.

Francine was a very classy lady. Her heart was so full of love. she had a smile that lit up the room. Francine was my moms best friend, and I believe Helped my mom so much when she was in pain. Her nightly phone calls to mom was so comforting, and she was so patient talking to mom till she fell asleep. What a giving person. You will be missed, we will all be together some day.

*love you all

“ Even though I only recently met Frankie, we became fast friends, I was very sad to hear she passed, but glad I was able to speak to her before she passed to let her know that I loved her. She will be missed.
