“ When I looked at the Coloradoan newspaper on January 8th I thought 'I know that lady!' We had lived in Arizona for 15 years and recently moved back to Loveland. The I remembered she was the beautiful, kind lady that I would always go to her check out lane in King Soopers, even if I had to wait a bit. She was without a doubt the friendliest, most cheerful lady. It was always a joy to visit with her. She loved her children and grandchildren with so much joy.. So we two grandmothers always caught up each week on what was happening in our respective families. In 78 years I have shopped at many stores but no one has made the impressed me the way Pat did. What a lovely cheerful lady that made grocery shopping a real joy! .How happy she must be now in her heavenly home!

“ I met Pat when she was working at the Kings on South College. I appreciated her generosity: tomatoes from her garden, kind, wise words of encouragement, and even catnip plants. (I became the purrfect drug-lady in my neighborhood). Memories of Pat bring a smile.
