“ *As another of the many girl scouts who had the great fortune to be a part of both Ted & Nadine's family, I can only say heaven has another angel. I still look at the lessons loving taught at their Mountain Avenue home or at the auto shop fondly, some 30 years later.*

“ *Mr. Rhodes, I am so sorry to hear about Mrs. Rhodes - she was a very dear woman - kind and gentle. The two of you were an inspiration for Lew and I - it was so obvious that you loved each other very much. You both are in my thoughts and prayers as I know how terribly you will miss her. Love, Jana*

“*Nadine was the kind of person who made the "greatest generation" so great. Devoted to her family, her church, and to our community, she gave much and asked for little in return. She was the greatest neighbor. Her presence will be missed on Mountain Avenue and beyond.*

“*I moved to Fort Collins in 1992 and immediately discovered I had moved in next to two WONDERFUL people, the world's best neighbors. Nadine brought us a full dinner for two on our first night in our new home. Lasagne, salad, green beans, and dessert. She sent me birthday cards every year. Her genuine goodness and wonderful sense of humor made visiting with her a real pleasure. Nadine will always have a place in my heart.*

“*Ted and family, Fran and I were shocked to see Nadine's name in the column today. We no longer take the paper and just happened upon her name in today's paper, given to us by a neighbor. We are so sorry to see her go, for we have been friends for many years, even if we only saw each other on occasion. Our hearts go out to you and all of you will be in our prayers. Please let us know if there is anything you need at this time or if there is anything at all that we might do to lessen your grief. Warmest regards, Jack and Fran*
