“ I am sorry to learn of the loss of Mrs. Seaworth Ziembo. Although I didn't know her personally, it is always sad to learn that a family member or friend has been lost. It will be so wonderful when no one will ever say 'I am sick'. (Isaiah 33 :24) I hope God will comfort your family during this time.

“ Nanci was the first friend I made when I moved to Loveland, CO 2 years ago. We met at my job where she volunteered her services. We shared some very special memories....dinner, concerts and tons of laughs. Nanci loved showing me different areas of interest and I will truly miss her company. She had a heart as big as gold and loved volunteering her time to help others. She was a very special lady and loved her family and friends. It will be hard not being able to share time with Nanci, but I will continue to love her in my heart and hold onto our special memories. My heart goes out to her family, especially her Mom. I've never seen a woman with as much strength and courage as she has. She is an amazing woman and I can see where Nanci got her heart from. Nanci has an amazing, loving family and I've enjoyed meeting them. My deepest sympathies go out to each and every one of you. I will truly miss my dear friend, Nanci. Rest in peace, sweet Angel.
