

Nancy Kay Judkins

October 18, 1946 - January 28, 2012

Nancy Kay Judkins, age 65, was born to Burnell and Roy Judkins in Amarillo, Texas. Although she was stricken with polio at the age of eight, she enjoyed a full, productive life. After graduating from North Texas State University with a bachelor's degree in Medical Technology, she worked at Baylor Hospital in Dallas and various other hospitals and clinics. Nancy's passion for the arts was reflected in her participation in many theatrical productions and in her extensive collection of show tunes. Nancy was an avid reader, loved animals, and enjoyed foreign travel. In her later years, she developed a keen interest in genealogy and became the family historian. Nancy is survived by her sister, Peggy Elizabeth Gallagher; her cousins, Mary Ann Benning, Anita Wyrick, Joe Skelton, Trudi Terry, Patti Marcoe, Sandy Williams, Linda Black and their families. If you wish to donate in Nancy's honor, please consider the Susan G. Komen Cancer Fund or the Post-Polio Health International, in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, Colorado 80524. Friends may send condolences to the family at bohlenderfuneralchapel.com. “ Today I was told of Nancy's passing. I am so saddened and shocked to learn of this news. Nancy was a dear friend for many years, both in Texas and later in Utah. Sadly, through the years, we lost contact with each other. My heart is very heavy this evening. May God bless and comfort her sister Peggy. I know they both were very close. Surely this news, after many months, has still not lessened Peggy's pain. She will remain in my thoughts and prayers for many days to come. May God bless and watch over you.

“ It was wonderful getting to know Nancy this past month. She was an incredibly beautiful woman. My time with her was too short, but I know she was truly a gift to you Peggy and to her cousins. She will be missed. I enjoyed our conversations, our laughs and her gentle spirit. I know she will continue to grace you with her presence from heaven. much love, Kerrie

“ Although we had just met Nancy recently, we were so impressed with her intelligence and positive attitude in the face of her pain. She was so brave! We will miss being with her.
