“ Nancy and I connected over a beautiful Angel picture, that reminded us both of the much needed willingness to give oneself to life fully. To life every moment she seemed to do and I know her spirit is doing so now, it just seems that is who she really was! Blessings to all, Katarina

“ Vibrant...Fun...Enthusiastic... Nancy was only in my life for a short time, but how profound it was! It was so evident what an impact her positivity made on those around her, and I am so happy to have shared in her light. I will always remember her spirit.
