“ Dearest Judy and family,

It wasn't until two minutes ago I saw this obituary for your son, Nick. I am so very sorry for your tragic loss. Words are inadequate.

Judy, we haven't seen each other in many years but I have thought of you often and fondly remember a shared happy childhood in Birmingham and Auburn Drive.

Although late, my sincere sympathy and love to you all.

“ Dear Rod, Alison, Judy, and Family,

We don't have any words to use right now to express how sorry we are for the loss of Nick. You are experiencing a level of pain and loss that most people can't imagine and will never experience. We don't know what to say other than we are so very sorry. Please know that our family is praying that God will bring comfort to your families.
