“ Norma's family, Sending prayers to your family during this time. I know how hard it is to say goodbye. Remembering how close Norris and Norma were, I know they are glad to be together again. I still remember the good times we had when I went and seen them with my folks. They will always have a special place in my heart.

“ Hi Family, I am thinking of you all today and wish our family could be with yours. I have good memories of childhood visits with you and a few since we have all grown up! : You have loved your parents well all the way to the end and I commend each one of you for that. I know it was a long good bye but how awesome to know both are more alive now than they ever were here! I do love remembering their laughter and smiles. We all have much to be thankful for. Sending our love from Arizona. Susan
