

Nyanna Kaye Fischer

January 20, 1959 - September 22, 2024

Nyanna Kaye Fischer, 65, finished her battle with metastatic Pancreatic Cancer and walked into Heaven's gates on September 22, 2024. She was at her daughter's house surrounded by the playful noises of her grandchildren before giving them a last "I love you" and a final goodnight hug. Her children remained by her side and held her until her final breath.

Nyanna began her journey in this life as Nyanna Kaye Savage on January 20, 1959, amidst the hills of West Virginia and continued her journey down the rivers of Kentucky before spending her last 33 years admiring the mountains of Colorado. She spent 49 years perfecting her profession as a Cosmetologist-leaving each of us, and the world, a bit more beautiful. Though her creative talents were her passion, her greatest pride was found in her children and her grandchildren whose hearts are longing to see her again. She is a treasure greatly missed by them as well as by her mother, a brother, and numerous family members and friends.

Just like the hummingbirds she so enjoyed, she flew in and out of our lives much too quickly, but glory to be to God who gives us life beyond the grave. A memorial service will be held November 22, 2024, at Generations Church in Greeley, Colorado at 10:00 am. All who knew and loved her are welcome to attend as we celebrate her life.

“ *Nyanna meant the world to me, and I will miss her so very much. She was the sister I never had, and I adored her. We had such wonderful times together. We used to giggle in grandma's living room when spending the night and we continued to giggle just this year being together in Las Vegas. Thank goodness that I was blessed to spend a week with her in April along with her beloved aunt Shirlie that also adored her. We laughed so hard and had so much fun that we cried together out of joy. I will cherish all of the special times we were together, playing as children and adults. She was a ray of sunshine to everyone that met her, and I can only pray that she continues to spread her sunshine down on all of us each and every day. My heartfelt prayers are with everyone that is suffering from the loss of such a beautiful person. We all lost her much too quickly.*

“ To my precious niece Ashley and nephew Troy which I love so much I'm so very sorry for the loss of their mom Nyanna. I want to share some memories of your mom. I was blessed to be at each of your births. Your mom was so full of joy to the arrival of her precious beautiful perfect babies. My memories of your mom was her excitement to hold you both in her arms. As life continued she holds a place in my heart as she did my hair and make up for my most blessed part of my life to the marriage of your Unk and me. She did my hair and makeup for our very special day our wedding I will be forever grateful. She made me feel like the most beautiful bride ever. I couldn't wait for Unk to see me. Another memory was when your mom supported a prayed for me through my breast cancer by sending cards and prayers and the most beautiful blanket. She cut and tied every knot with love and prayer. I will always be grateful.

“ Rest in peace Nyanna. I still remember going to Louisville to see you perform in the World's Most Beautiful Majorette contest back in the 1970s. Although you left most of the Savage family behind, we thought fondly of you throughout the years. Perhaps our journeys will converge when the rest of us enter into the eternal Light. May the Spirit bring comfort and peace to Ashley and Troy and may the angels lead you, Nyanna Kaye, into paradise...

“ Ashley and Troy, I am devastated that you lost your mother so quickly and at such a young age. Nyanna has been cutting my hair for 30 years and we have shared many events during those appointments. I am shocked to lose her so quickly but I do know that she loved Jesus. Let that reality comfort you. Jody Murphy

“ My heart goes out to all those feeling the loss of such a beautiful soul.

Going back to our Dixie Heights days, I knew what a pure presence she was to be with. I will always cherish the memories we shared together, including our date to see the one and only Led Zeppelin back in '75.

The world has just lost a very special gem.

“ I am so heartbroken. She and I were just figuring we had known each other 33-35 yrs. We never lost touch. I saw her the last of July, when I came to Foco, she cut my hair while I was there. We were both upset we forgot to get a picture together. She loved those grandbabies!!!! That's what we talked about most of the time. She loved them so much, and her kids. You will be so missed sweet Ny!

“ I met Nyanna while I was working at Sola salon in Fort Collins. She and I would cut each other's hair. She was such a great person! She was talented, beautiful, kind, and compassionate. The news of her sickness was so incredibly sad. I stopped to see her two years ago on my way through Fort Collins and caught up with her. It was so good to see her. Prayers for her family for this incredibly difficult time. I know she knows Jesus so she is at peace Eternally. She will be surely missed.
