“ This is Joe Vickers and I so very sorry I missed Paddy's services, but I had lost contact with him sometime in late 2022 or 2023.

My wife and I were very close with Paddy, Delores and the family. We valued our friendship for several while we lived in Northern Colorado and followed our relationship with the family when they visited us in South Texas after we moved back to Texas. It was a great time with all the family.

I would love to have contact with the family again, even though Paddy and Delores are no longer with us. If any of the family could contact me after reading my message, I would appreciate a call, or contact of any kind. I can be reached by phone at (512) 940-4833, or email at <jv.wellspec@gmail.com> Sincerely, Joe Vickers

“ I met Paddy when our son, Rusty Wilcox, married Paddy's granddaughter, Teresa. I've enjoyed his company many times over the years and was glad to hear his stories. He loved mincemeat pie at Thanksgiving and so did I, so I would make one and share it with him. The last time I visited him in the nursing home, we shared lunch and then went back to his room. We talked some more and he asked if I would help him lie down to take a nap. I was happy to tuck him in and wish him sweet dreams. I'm glad he's with Dee now and doesn't have to worry about cranky roommates. God Bless Paddy as he has blessed us. Maybe he'll run into Bill up there. :- ) Sue Wilcox

“ We last visited Paddy in September 2022, while he was still at home. Gale and Paddy are 1st cousins. Thank you Bobby for calling and letting us know what happened. We also visited Paddy and Delores in Arizona during our "snowbird" years and shared many lunches with them over the years whenever we drove back to Nebraska and Colorado to visit family. We are sorry that we can't get back for the services, but know that our thoughts and prayers are with you.

*God Bless,*
