“ Terry, Kielely, Adley and Caitlin I want to thank you for giving me the honor of knowing your wife/mother. I will cherish every memory I have of her. What a wonderful place this world would be if there were more people like her in it. I have a note she wrote to me and have read it numerous times over the years and will read it a thousand more times I'm sure. She was so kind and caring and made everyone feel like family. She has made a difference in so many lives that she touched. I have become a better person because of her. I will NEVER forget Pam. This Earth has lost a very special person, but Heaven has gained a true angel. Like Carrie Underwood sings, "This is Our Temporary Home". So Pam, I will see you at "Home".

“ My thoughts are with your family. I was Pam's best friend through high school and our college years. We were roommates and "sisters". We shared endless days of laughter and that is how I will always remember her. She had a lot of love to give and I was lucky enough to be one of those people that received her love. Peace and God's blessings to you. Our Pam is now at peace and pain free - and we will all be reunited with her one day. Becky Adams Martin

“ What an inspirational woman! She made all those who knew her better people. I will always admire the beauty, grace and unconditional love she shared so freely. Her actions always spoke louder than her words and they were filled with such devotion. The worlds of those who knew her were better for having her and now Heaven will shine brighter from the beacon of light that shines from her soul. Thank you Miss Pam for a beautiful friendship and the love and laughter. All my love and prayers to those of us left to cherish her in our memories, it was an honor to be your friend.
