“ *Patty was the oldest sibling of 7, she my only sister (half). I hadn't seen her in a very long time around 50 years, but I was able to talk to her on the phone a few times in the last 20 years. My brother Mike had visited her from time to time be it in Minnesota, Texas, or Colorado, he seemed to always enjoy his visits with her. Now there are only siblings still living her brothers John , Bill & I, she lost her brothers Joe in 1980 M/C accident, Danny in 2018 due ALS, & Mike in 2020 (stroke). I've added a picture of her & me from 1967. You will be missed, I just wished we could have gotten together to learn about each other.*
