“ I am very sorry to hear about Patricia's passing. She was always sweet and kind to me over the years. She lived around the block from where I grew up. My brothers went to school with her kids. She even left me some furniture when she sold me her house which I am still happily living in. May God Bless her and may she rest in peace along side her late husband.

“ I am so sorry to hear of Patricia's passing. I did not know her for a long time but in that short time she showed me the meaning of sunshine. When I would get to see her she always had a smile and twinkle in her eyes. Thank you to her family for taking such good care of her I know she loved each and every one of you!!!!

“ My sincerest sympathy to the Glascott family. Patty and I met in Kindergarten, although she lived on Staples Street across Secatogue Avenue (but we were not allowed to cross streets!). We were fast friends for life. We experienced all of the awakenings in elementary school and were Brownies, Girls Scouts and Senior Scouts. We attended day camp together at the Fdale Aggie School and bunked together at Camp Edy in Bayport every summer for many years. After college and marriage we were part of the FFD family. Patty is etched in my history and I will never forget her. God bless Patty.
