“ We knew Peggy through my mother, Neva Morse and through Cub Scouts at Putnam school. Her sons and mine were friends. When mom passed away, we donated all her stash of yarn to Peggy for her various projects she hoped to make in the upcoming years. She was a very talented, sweet lady and we enjoyed visiting with her. Our thoughts and prayers are with all the family.

“Peggy was one of the first people I met and worked with when I moved to Colorado in 1980. We worked together for a short time, then we became neighbors from about 1986. She was a very sweet lady and always had words of wisdom for me when we had our visits in her living room. Her family was so very important to her and she always shared sweet stories about them. -Valerie DiBenedetto
