“ *To Pete Wilson and family,*

I worked w/ Pete's dad for years, Rawhide and CSU, (I loved working w/ Pete) and he always talked w/ love and pride about his kids, they are his center.

I did met Peter a few times through the years, the kid I saw was a lot like his dad; big smile, big heart, not afraid of any thing ('cept maybe his dad, when he got in trouble)

Your family is in my prayers way, way too young to leave this world.

God bless him and his family,

Respectfully,

Jeff Ioannone

*Dearest Pete, Melanie & Family,
I was so sorry to hear about the loss of your son. Although I did not know Peter, I learned of his kindness to a student who was experiencing bullying in school. Apparently Peter stood up to defend a young man who was singled out for mistreatment instead of ignoring the situation. True character reveals itself during adversity and so Peter chose to do the right thing, even though he was just a youth.
I hope that there are a lifetime of heartfelt memories to give you comfort until you see Peter again. God bless. With Deepest Sympathy,
Veronica Olivas*
