“ *Phyllis was my best friend for many years. I think of, and miss her every day. I have so many fond memories. We shared a residence for 15 years before she got ill and moved to Colorado. Hope Andy and your mom and dad were there to greet you. I Love you Phyllis.*

“ *I remember Phyllis always serving us at Fred's Bar and Grill. Fun Times that seems like yesterday, we no longer are able to enjoy, but we still retain those memories. To Phil's family, she was a true friend and a wonderful person and the people she served will always remember her after all these years. She is now at peace and rest in the arms of our Lord.*

“ *I met Phyllis when I got my first job at 18 years old. Fifty years later she was still an enormous part of my life. We went through so many things in our lives but remained side by side. I will love her forever. I find comfort in knowing her last days were filled with love and devotion from Misty and Cayce. She was truly the happiest when she was with them. Rest in God's loving arms now my sweet Phyl*

“ I got to know Phyllis when her grandson attended Vogel Elementary School in Evansville. I always enjoyed visiting with her when she would stop by. Years later, I ran into her again when she worked at Freds Bar. She always had a glass of iced tea waiting for me. She was such a kind soul. She will be missed. My condolences to her family.
