I worked with Kitty at Catholic Homeless Mission in Fort Collins for four years. In that time we became fast friends!!! So many awesome memories of her during that time!! She was a unique person, I believe one of the other posts said that they broke the mold when she was born, I couldn't agree more!!! Truly my best friend!! I loved her like a sister and she will be forever missed!!! I love you Kitty Kent!!! 🍷❤️

“ *Kitty was my best friend when I was living in Honduras. She taught me about the Baha'i Faith and from 1974 until this year, 2024, we were best friends. I will never forget her love and her strength. The "mold" was broken when God put her on earth. She was so loved by so many people.*

Kitty, we go back to the 1950's in Junior High and then on to High School together in the marching band at NMSH. We were such good friends spending many hours on the phone and lots of time together. In fact, at my age of 15 and you of 16, we worked together at the same grocery store. Years went by and because of fate and facebook we found each other again about 15 years ago. I miss you and I miss those long phone conversations we had. It was like picking up where we left off. Rest in Peace my good friend. I have a big place in my heart for you. Love you. Joyce O. Kitty called me Smitty since Smith was my maiden name.
