“ My thoughts and prayers go out to all the family. I always loved when "aunt" Rachael visited Grandma Helen, She was alot of fun and had a great sence of humor. Our last visit out to see her was memorable I took Dad Bill Gfeller out to see her when he was sick and he and Rachael had a great time talking and laughing. She will always be remembered she was a great lady. Im sure she is sitting up in Heaven right now talking to grandma Hellen Gfeller Love to all, Katy Morton Billy Gfellers Daughter

“ Mom Mom I miss you so much. The house is so empty. I love you and I wish I could have done more for you. I am so sorry that you had to suffer the last day. I wanted to take away the pain and make you feel better. I remember all of the funny jokes we use to laugh at and all the times that you didn't want to eat because you were not hungry. I miss you so much. I will love with all my heart forever.

Now her and Mom can enjoy time together again! And they won't even have to travel across the state of Nebraska to do it! Good for them! Love you all and many blessings to you! jackie

“ My memories of my grandma r many. From every box I got in April and December in California. The boxes always arrived without fail and she never forgot her granddaughter who was so far away. To the stories, pictures, and recipes that my great grandma cooked. My yellow cake with chocolate frosting, peppered potatoes, and sweet dressing. Which with my grandmas help I have down pat. Know that my love and heart are with you always. Could not have asked for a better grandma in my life. You were a second mom and best friend. I love you grandma with my all my heart. “ My memories of Aunt Rachael make me smile. I'll never forget her laugh, her smile or her sense of humor. She came from a hard working family of German farmers and she knew how to hold her own if the situation called for it. I never heard Aunt Rachael complain, but she didn't mind telling you her opinion either. We love her and she will be missed.
