“ I read of your loss and wanted to send a note of sympathy. In reading of Rachel's life and how she worked so hard as a young person and then into her adult life, what a wonderful example she was to family and friends. In reading the comments on those who cared for her and what a positive person she was with a smile, how wonderful to remember. I have shared with others two wonderful scriptures that give much comfort at times like these. 2 Cor. 1:3, 4 which speaks of Jehovah God as "the God of all comfort, who comforts us in all our tribulation." and Isaiah 51:12 "I - I myself am the One that is comforting you people." I believe we can treasure the wonderful memories and I know you have many of Rachel as a loving mother, grandmother and friend to many. Please know you are in the thoughts of many.

“ Marlene, Ted, and Mike, I was so very sorry to hear about the passing of your Mother. I have a lot of very good memories of Rachel from when I was young and our families spent a lot of time together. I always remember her laughing and happy. She was a hard working Wife and Mother who loved her family. I know how much you will miss her. May the memories of her love for you give you comfort.

“ We are so very sorry for your loss. I have wonderful memories of "Aunt" Rachel and Mary Ann making butter ball and noodle soup for Thanksgiving.

“ Ted, Mike & Marlene... Your mother was an amazing person. I am so blessed to have known her. I truly enjoyed taking care of her at Columbine West and I will never forget her humor, her smile, her jokes, the way she taught us to milk Jersey cows, her stories, seeing her face light up every time I brought my baby to visit her and most of all, I will never forget her!! She was such a special person and my thoughts and prayers are with you and your family during this difficult time. God Bless you all! Brooke Cooley
