“Dad, I love and miss you so much. It's so hard to believe that you're gone. I know you will always be here with me in my heart and memories but it's not going to be the same. Thank you so much for being a great father and grandfather. I'm going to remember all the good times we had. The laughs, cries, and even the little disagreements we had. I'm so glad we had a wonderful relationship and I'm glad you had a wonderful relationship with the kids too. Brooklyn misses you so much. And I'm glad you met Joziah. You're the best dad ever and I'm glad I got life with you. We're gonna miss you so much. And I'll do my best to be the strong daughter you raised. And i promise to take care of my brothers. I love you daddy and you will always be with me. Rest in peace and watch over us.
