“ To Keith's Family: Our deepest sympathies in the loss of Keith. Keith had been a part of the Whitehead family since practically childhood. He and my Dad went to school together; Spent 30 years at the Post Office together; raised their families together and spent their final days at Columbine. Keith was truly a Fort Collins guy, and was always checking up on old friends right to the end. Jan's older sisters both went to school with Keith so even though Jan was the "young kid" she has many fond memories as well. As my sister mentioned above, while we were growing up it was always "Keith and Marie" and I know it was for your family as well. He had many friends and will be missed. All our thoughts and prayers. “ Keith was such a great person and he and Marie were wonderful friends to my parents. They would stop by to visit with them at 1105 and would have a great time talking. I never heard my parents say just Keith or just Marie. It was always Keith and Marie, Keith and Marie. Now it is again: Keith and Marie. I'm sure they are happy again together.
