

Ramon Thomas Renz

January 17, 1982 - October 1, 2025

Ramon Thomas Renz was born in Fort Collins, Colorado on January 17th, 1982, to Konnie Renz (Loera). Ramon left this life in Greeley, Colorado on October 1st, 2025, at UC Health. He was 43 years old.

Ramon was the oldest child in the sibling line within his family, losing his baby brother Nathin in March this year and his mother, Konnie, in May last year. Ramon graduated with his GED in 1999 and was already working, but he really got into work and fixing up his car that he would race at Bandimere Speedway. His Kia Optima with a screaming lady for an alarm, NOS under the hood and a nice system so he could bass out. Ramon was a truck driver and heavy equipment operator, earning his CDL in 2013.

Growing up Ramon got into baseball and bowled every Saturday morning with his sister and cousins, Allen and Jayme. Together these 4 grew up stirring havoc between their two homes, being the first ones to do all kinds of things their parents told them not to, but they loved, played and had fun all the time. Ramon had a best friend growing up, Allen Forkel who also got to enjoy the shenanigans with the other 4, but not around to get in all the trouble.

In his older years, Ramon created his own circle of friends and with the little bit of family he had around, he enjoyed every minute with those individuals. Ramon was to himself, but when with others, he laughed and joked a lot and

never once judged anyone within his circle. Ramon was dedicated and devoted to his family and friends, he gave without wanting anything in return, and he cared without expecting the same back. Ramon's did "nothing for show, and everything for love." That is who Ramon was from the day he met you, to the day he left this world.

Ramon was an amazing friend, a confidant, a survivor, a warrior, honest, compassionate, understanding, and that alone made him the best guy you could ever have around. He was so loved and will be missed by many.

Ramon is survived by his step-father, Alfonso, his sisters Felica and Jazzmin (niece), his brother, Benito, his nephew Elijah, and his niece, Jerissa.

“ Raymond, I watched you grow up from a baby to the man you had become. You and my Son Allen and your Aunt Karel's Son Allen were very close growing up because you were the same age. Your Mom and I were best friends from the time when we were young so I got to watch all of you and your Aunt Karel's kids grow up together. Bowling and hanging out was a part of our lives. Losing your Mother I miss her dearly, was really tough but I know it was tougher on her Children. I am sorry you were in so much pain. I will miss your smile and hug you always had for me. Knowing you are at peace helps the hurt that I have. Say hi to your Grandma, Grandpa, your Mom and your brother Nate. We shall all meet again and have a blast to remember the good ole days. R.I.P.
