“ I just learned of Randy's passing. I'm shocked and very sad. Randy and I became friends while playing on the Mitchell football team. He was truly a special person. Kind, fun to be with and one hell of a tough middle linebacker.

I was a year behind him in high school so always looked up to Randy and thought of him as a dynamic leader. I have thought of Randy and my football days at Mitchell often with the hope of seeing Randy and other teammates in the future.

My deepest condolences to Randy's family. May you rest in peace my friend.

“ Such special and fun memories of Randy came to mind as soon as I saw his name. Not the way I would like to see his name, nonetheless, just hearing his name brought a smile to my face. We were high school friends and I think every girl had a crush on him because he was so sweet and funny and kind. And every guy just really liked him because he was sweet and funny and kind. He was nice to everyone and we sure did have fun. I am so sorry for your loss. My heartfelt condolences to all of Randy's family and friends as you navigate this very difficult transition.

“ I knew Randy since we were in grade school and he was a true and loyal friend. He never met a person who he did not get along with and he dominated whatever room he was in. His smile and his personality was contagious and he loved sports and especially watching his daughter's play softball. Randy loved life and lived life like we all should because as we see, tomorrow is not promised to any of us. I will truly miss him and I am blessed that he touched my life in such a positive way!!! “ I am so saddened to hear of Randy's passing. My deepest condolences to the Gulbranson family.

Randy was a dear friend for many formative years and although we had lost touch, my memories of him are vivid. We went "steady" in jr. high, were prom and homecoming dates in high school, co-conspirators in all sorts of mischief and buddies on senior ditch day. Randy's smile, his zest for life, his contagious laughter and his genuine love for the people in his life made him special and beloved. I feel sure that he honed those beautiful qualities into his adulthood as well. I am honored to have called him my friend.

May your precious memories of Randy bring you peace and comfort during this difficult time. May he rest in peace.

“ I was shocked when I saw the obit. in the Colo. Springs Gazette. I knew Randy as a dedicated football player with the heart of a lion. He was a hard worker and I'm sure he learned what it takes to be a team player while maintaining his status as an individual. I'm so sad when I read that one of my players passes before me. Its just not right.

I hope that all his family and friends can keep his light glowing forever. With a heavy heart I wish all his family and friends the will to carry on.
