“ Randy and I worked together at Light & Power back in 1974, 75, 76. Along with Chuck and Don McFann we were an awesome crew. We were the same age and now that I turned 70, I decided to try and reconnect after all these years, and I was saddened to learn he passed away 9 years ago. I have worked with a lot of people over the years and he is one person I have never forgotten. His picture posted here is exactly how I remembered him.

“ I am so sorry to hear about Randy. I worked with him for a number of years at L&P. He was fun to work with - and I loved his sense of humor. Not all the guys appreciated my working in the Warehouse, but Randy just treated me like one of the guys - except he never made any off color remarks or shared "dirty" jokes. He did used to tease me about being short, but he was never mean. I saw him once in a while after I retired and he always took the time to see how I was doing and what was new. He will be missed. I am sorry I won't be able to attend his memorial, but my prayers will be with you. May your memories be a comfort to you.
