“ Randy never meet a stranger, everyone was a potential friend. That is how our friendship started, on a motorcycle ride of course albeit one of too few. I will miss his big heartedness. Deepest sympathies.

“ My sincere condolences to the Hargadine family, Karen, Megan & Tia, Jessica & Niko. As you know, Randy and I had been best friends and I considered him a brother. As I know you are, I am devastated as well. I miss my friend and will think of him always. I've posted a few photos of the many trips that Randy and I had gone on together. He will be missed.

“ I added a few photos I found of Randy and the biking crew, 2018 MotoGP and 2023 MotoGP. Randy has always been a kind, gentle soul, who I became instantly connected to. His wit and humor never failed and always brought a positive energy to the world. Even though it's only been 18+ years since I have known Randy it has felt like a lifetime and his presence in my life will be sorely missed.
