

Randy Royal Romer

April 22, 1953 - July 29, 2010

Randy Royal Romer, 57, of Fort Collins, Colorado, passed away unexpectedly on July 29, 2010 at Poudre Valley Hospital of complications from a recent surgery and pneumonia. He was surrounded by his loved ones and will be deeply missed. Randy was born to Rex R. and Betty L. Hoffman Romer on April 22, 1953 in Cherry Point, North Carolina. He moved to Fort Collins, Colorado with his parents in 1954. Randy attended Laurel Elementary, Lincoln Jr. High and Poudre High School. After leaving Poudre early, he sought employment with the Burlington Northern Railroad. After a life altering accident in 1985, he returned to Centennial High School to earn his G.E.D. After which he attended CSU, earning an Associate's Degree and F.R.C.C. taking welding classes. He felt his accident was a second chance at life and was truly a blessing. A blessing because it gave him the opportunity to do the things he might not have ever gotten the chance to do. Randy loved his 5 mastiff dogs. He also loved the outdoors, whether it was snow skiing, scuba diving, fishing, hunting or landscaping his property. He was the general contractor and worked tirelessly, in the building of his "Earth Ship" and Straw Bale house. He was able to see things for what they could become, rather than what they were. His creativity knew no bounds. His hobbies included woodworking, metal works, stain glass, leather and jewelry. Keeping his body in shape was important to him. Randy held a black belt in Karate. Randy was a fixture in many local places, making friends wherever he went. He kept a positive attitude no matter what life threw at him. His heart was very warm and

welcoming to those he met. He was a kind and generous soul. Randy is survived by his mother, Betty; his sister, Kelly Meyer and her husband, Marvin; niece, Sarah and nephew, Wade; brother, Kevin, and his wife, Janna; nieces, Kacey and Lyndsey, and nephew, Zackery all of Fort Collins; brother, Rod, and his wife, Hollie of Cheyenne; and a very special love, Judy Tooley and son, Salim Abed and his best 4-legged friend, Willy.

Preceding Randy in death was his father, Rex and his grandparents. A "Celebration of Life" will be Friday, 10:00 a.m. at Timberline Church, South Auditorium, 2908 S. Timberline Road, Fort Collins. A private burial service will be at a later date. Memorial Contributions may be made to the American Cancer Society, Stem Cell Research in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, Colorado 80524.

“ I am in shock...Randy was like family, a mentor to us, especially my daughter Leanna, who also had a prosthetic leg. I wish I could muster up the words that he deserves, and I'm sorry I'm in shock...I lost contact with him (my phone broke), then we moved. All these years something didn't feel right, but I didn't want to be right. I'm so sorry for your loss. God bless him. He was a great man.

“ Randy will be missed by all. He who dies with the most toys wins. Randy won. I will miss visiting with him in the garage and at the gym. I will gladly help out with Willy if you would like since I am the one who talked him in to getting him. I know Randy wanted to have him become a service dog. I think this would be a great tribute to Randy to have Willy trained to go into nursing homes and rehab facilities. Sincerely, Paula Hale

“ I have known Randy for more than 10 years now. I first met him when I worked at the drive thru at McDonalds when I was in high school. Randy used to come through and order 20 cheeseburgers for the three gigantic dogs he always had with him. He was always so wonderful to talk with and he would stay and talk until I had to go help another customer. A few years later, when I was in college and working at Macys, Randy used to come in and I would help him shop for hours. He would even call to let me know when he would come in next so that I would be there to help him. I have never known such a genuinely nice and uplifting person. He was such a pleasure to know, and in all the years that I lived and worked in Fort Collins, he was one person that I always looked forward to seeing and never cut any conversation short with. I will truly miss seeing him and sharing wonderful stories with eachother and I will never forget his beautiful dogs, that I always called "his bears".

“ The world has lost a very special person as well as his friends and family. Randy touched the hearts of everyone he met. I knew him from waiting on him 1st at the bank and then in the Motor Vehicle Office. We talked motorcycles, relationships, politics, and life. He got harassed in a good way every time he came into the office as well as hugs from all of us. We are sorry for your loss, but take comfort in his accomplishments and the mark he left on so many.

“ Randy was the most honest, positive person I have ever met. In the 10 yrs I knew Randy he always had a cheery word, and a smile for everyone. Randy, if even 1/2 of the people in this world had your positive outlook and words to share, the world would be heaven on earth! You will be missed my friend!

“ Randy was a burst of sunshine. He was always so positive and concerned for others. He had such great ideas and plans to help the community and was always there with a smile and a hug! You always knew when Randy was in the Clerk's MV office. He had lots of fans and friends that loved to see him and visit with him. As a neighbor and a friend we could never express the impact he had on our family through the years we have known him. Our hearts go out to your family as you mourn the loss of such a wonderful person.

“ *My deepest condolences to Randy's family and close friends. I have known Randy since 1996 working in natural foods stores all of the while. Randy was always upbeat while grocery shopping and he often brightened people's day. I have witnessed several interactions that Randy had with young children who were curious about his accident. He always told them a brief story and satisfied their curiosity making a life-long impact on the kids and folks like me who were only witnesses. Peace be with you and yours -- tania*

“ To Randy?s family and friends, I met Randy in March of 2009 when he started coming to the Cancer Center. I schedule appointments for Drs. Myint and Lee.I was so impressed by Randy?s love of life and positive attitude.While on my honeymoon in April 2009,I picked up a rubber bracelet with a saying on it; that reminded me of Randy so I brought it back for him. The saying was simple & I think it was what Randy was all about. When he would leave & reschedule an appt, we talked about motorcycles my husband has one,& his hobbies & crafts & the good things in life. He loved life! He teased me that I had remembered him on my honeymoon & brought him that bracelet. He was the most positive person I have ever met. I pray for his family & friends to find peace knowing that Randy was a blessing to everyone and I count myself as one of the fortunate that knew him. Oh, by the way, the bracelet said:?' Failure is not an option'. I don?t believe he failed at anything. Respectfully, Donna

“ I met Randy a few months after my son Ramey committed suicide in 2005. As a man who had experienced great loss of his own, Randy provided me strength as I worked through the grieving process. We enjoyed long talks, rummaging through motorcycle junkyards, meals at the Rainbow Cafe, coffee at Starbucks always iced tea for Randy!, music, art, fitness and riding motorcycles. Randy was an amazing man with a very kind heart, and had a zest for life like no other person. I am lucky to have known Randy and I will miss him dearly. Randy will always have a special place in my heart.
