*“ I can't hardly remember when Rudy wasn't a part of my life.... We met in 1977 when I was dating your brother and soon you became my brotherinlaw. I have so many good memories of you. I can picture you laughing, your big smile. Although your brother and I divorced in the 90's you still remained my brotherinlaw and a friend to my husband Chad. Till we meet again. Love ya!!*

“ I had the honor of meeting Rudy as the close friend of my wife, Maria, and her family. I wish I had known him better because in the short time I spoke with him I could tell he was a man who had a genuinely positive and influential role in the person my wife is today. He will be very missed and I didn't have to know him well to know that the world is a better place because of his smile and those his kindness touched. Rest in peace Rudy.

“ I have known Rudy for almost 13 years and I knew he was having health problems but was surprised to see he has passed away. I work for the City of Loveland and dealt with Rudy on scrap wire and metals and he was always friendly and professional, never letting his problems change his desire to work and visit with us when he was here. Rudy was more to our warehouse staff than just a guy picking up our scrap materials. He was our friend and he will be missed very much. My condolences go out to Rudy's family! I am so sorry for your loss. I am sure Rudy will be missed by all who knew him!

“ Rudy was a wonderful, wonderful man. Salt of the Earth. Rudy would give you the shirt off his back if you asked him. I always enjoyed visiting him whenever I visited his work. Funny, friendly, professional. He always talked about his family and how important they were to him. His cheer, smile, jokes, and spirit will be missed. My family and I will be praying for comfort and understanding for his family and friends. I'll miss you Rudy...
