

Raymond Sterling Hale

December 8, 1948 - March 16, 2016

Colorado lost one of its favorite native sons, Raymond Sterling Hale on March 16th, 2016 in Loveland, Colorado at 67 years old from complications that arose from pneumonia. He was surrounded by his three children and devoted sister and brother-in-law at the time of his death.

Raymond was born in Lamar, Colorado on December 8, 1948. He was the second child and only son born to Zelma Thompson Hale and Aaron Raymond Hale.

Raymond spent his childhood years in Springfield, Colorado. He was both a talented athlete and academic scholar. He had a hunger for learning that lasted the whole of his life and he spent many early summer days visiting the public library in Springfield. He read "Les Miserables" in middle school. He made many lifelong friends in his early years, including his "brother" Daniel Reeder. He was selected all-state quarterback for the state in his junior and senior years. His small town upbringing and the values he was taught led him to appreciate the simple things.

After graduating in 1967, Raymond attended the University of Denver on an academic scholarship. He was involved in student government including serving as president of the student senate and he was a passionate supporter of the civil rights and peace movements. He graduated in 1971 and

subsequently attended law school at University of Denver.

Early in his legal career, Ray was one of the founding partners of Hale, Smith and Williams. It grew to be one of the largest and most-respected law practices in Fort Collins.

In 1992, Ray felt passionately about leaving his career as a lawyer to embark on a new career as a middle school teacher. This second career brought him great joy and pride. As a seventh grade English and life skills teacher, Mr. Hale (as they called him) touched the lives of thousands of students...making them more interested in learning, certainly, but also making them feel seen and respected. He made a lifelong impact on many of his students, who consider him to be not only a great teacher, but also a mentor and friend. He taught at Webber Junior High School for his entire 13-year career.

Ray was a dreamer and an eternal optimist. He loved talking with people, both friends and complete strangers. He loved Colorado, good food, and good music.

With a bright mind, a healthy sense of humor and a talent for loving people well, Ray had a significant impact on many people. He will be forever missed with scores of friends, family and former students striving to live by his example.

He was always quick to say that his life's greatest achievement and blessing was being a dad to his three children. Family was always first for Daddy Ray. He was an exceptionally loving and devoted son, brother, and father.

Ray is survived by daughter Sarah Hale Soboleski (Stephen) of Sarasota, FL, son Benton Sterling Hale (Jennifer) of Greenwich, CT, and daughter, Amanda Hale DeJesus. (Amin) of Coral Gables, FL, grandchildren Sawyer, Devin,

Sydney, Porter and Rosie Pearl. As well as by his sister Beverly Hale Winsett (Joseph).

“ We just saw this over a year late due to being out-of-state. So sorry for this tremendous loss. We rented Ray's home (or "Hale Ranch" as he liked to joke) in the Seven Lakes area when we moved from Texas. What a tremendous man with that wry sense of humor. We miss you Ray!

All our love - Ruth, Zack, and Ryan

“ My name is Rebecca (Gowin) Tommack. I knew Raymond from activities we shared as high school students involved in MYF. Ray & I attended University of Denver as scholarship students & graduated the same year. Before we attended our freshmen we took a trip by bus to Seattle & back again by bus with other Methodist students to attend a conference. We enjoyed the adventure & spent long hours talking on that long bus ride. We didn't spend time together during our time at DU, but my best friends husband was a member of his fraternity so I heard of his accomplishments through them. We both had competed for the Holt scholarship & the Rocky Mountain Methodist Regional scholarshi. I received that scholarship but Ray was awarded others so we both could attend. Anyway I thought the world of your dad & had only recently found him on Facebook. I hope that my husband & I can help with the building of the school that your family plans to build. Please keep me informed as you move forward with your plans. I am a former teacher &!would love to be a part of your project to honor your father.

“ Sarah, Ben and Amanda-- I am very sorry to hear of Ray's passing. I remember him as a very caring and involved father! I also have always admired the fact that he changed his career mid-life to teaching. I know he really enjoyed and had a lot fun with middle school kids!
My thoughts and prayers are with you! Enjoy the memories.

“ Sarah, Amanda and Ben: Both Colleen and I want tell you how saddened we are with your Dad's passing. He was a wonderful friend and someone that I spent many fun and enjoyable hours. He never lost his enthusiasm and lust for life.

I also want you to know that when I talked with your Dad last fall he mentioned several times how proud he was of you and your families. All of you were very important to him.

“ *Ray hired me out of law school and was a mentor, teammate, partner and friend. He had the strength of character to give up the practice of law to pursue his dream of being a teacher. He was exceptional at that vocation as well. Ray was a kind, thoughtful, and good man. If I'd known our recent lunch together would be our last meeting, I would have more openly expressed my thanks and appreciation to him. Carpe diem. May he rest in peace. Blessings to you, Sarah, Ben and Amanda.*

“ My sincere and heartfelt sympathy go out to family of Ray. From 1960-62 I taught and coached in the Springfield Middle School. One of my delight was having Ray in my classes and on the football and basketball teams. He was a good student and a good athlete and always projected a positive demeanor. His classmates and teammates genuinely liked him. I left Springfield in 1962 and lost track of Ray. I was truly sorry to see his obit in the Coloradoan.
