“ *My Uncle Reuben was a very special man. I remember his "money tree" on the farm. I remember the time Ralph brought hom his mascot for the holidays and I thought the St. Bernard was a calf. Many good memories. I am so happy to have been able to help Uncle Reuben in those last years. He called me "his right hand man." I will always love you, Uncle Reuben. You are at peace now.*

“ *I share in the sorrow of all who have lost such a great man. He was my Uncle and I will never forget him. My wife Jeannie and I have made a contribution in his name to the Food Bank for Larimer County. I know his sisters were there to greet him when he passed on to the afterlife. I'll look forward to seeing him again myself.*

“ *With our deepest sympathy we are making a donation to the Wayne Fusaro Pancreatic Cancer Research Fund in memory of Uncle Reuben. You would not have known Wayne Fusaro, but Uncle Reuben's sister, Lillian, was taken away from us far too soon because of pancreatic cancer.*
