“ My thoughts and prayers are with you Mary, Jessie, and the rest of the family. May you find comfort in this time of sorrow. Even though I didn't know him that well, I will always remember the stories you told us, Mary and Jessie, at work. He seemed like a very interesting character! I will always also remember him coming to see you, Mary, in the lab.

“ My thoughts are with you during this time of mourning. I was a classmate of Dick's at Lyman, Nebraska, public schools from kindergarten through high school graduation, and often sat right behind him in class - "Davis" coming right before "Denney" my maiden name in the alphabet and in the teacher's seating chart. I remember him as a kind and gentle person, which is, in my opinion, the most important kind of person one can be. We need more like him in this world. I hope that your memories of Dick will be a comfort to you as you adjust to your lives without him. Many blessings -

“ To Davis Family, My thoughts and prayers are with all of you in your time of sorrow. Working with Richard was always enjoyable. He was so selfless in his work and how he approached life in general. I know I learned a lot from him and I most certainly will never forget his warm smile and ornery gleam in his eyes. Rest in peace Richard. Your co-worker and friend Jimmy Garcia
