

Richard "Dick" David Loyd

December 14, 1937 - April 11, 2022

Richard David Loyd "Dick" 84, passed away on April 11, 2022. He was born on December 14, 1937 in Laramie Wyoming to William E. and Marie Loyd. Soon after, his family moved to Hanna Wyoming where he and his brothers and sister created lots of childhood stories and times on the family ranches. In 1952, the family moved to Bellvue and Fort Collins area. Dick played football and graduated from Cache La Poudre High School in 1957. He was an avid Broncos fan, through good times and bad. He enjoyed fishing, hunting, camping, playing cards, and a good cup of coffee.

Dick married Dixie Lee Powell on December 14, 1963 after meeting her 6 months earlier at his sister Beverly and Bob Baxley's wedding. All four Loyd siblings married within those 6 months. Dick had many jobs through the years, including being a trade union painter and a maintenance painter for the City of Fort Collins. He never met a stranger that he could not draw up a conversation with. He always had a story to share about his many experiences and share his faith in the Lord. He had many friends from all stages of life including his community at church; he loved us all.

He is survived by his wife Dixie, Daughter Julie and Dayton Norrgard, Son Jeff and Lauri. Grandchildren Robyn (& Alex Engelbert), Ginnie (& Rishi Oad), Cassie (& Luke Belsito), John Barton Loyd, Marissa Norrgard (& Charlie Volz). Great grandchildren Brady Engelbert, Henry Engelbert, Sonia Oad and baby Oad to be born in 2022. His brother-in-law Robert Baxley and sister-in-law Vickie Kerwood and many beloved nieces and nephews.

He is preceded in death by his parents, brothers Clint and Bill, and sister Beverly.

“ *Dixie, Julie and Jeff:*

I was saddened to hear of the loss of Dick. From time to time, I enjoyed running into him at the grocery store. He was always the same, happy, kind hearted and full of fun! I know my Dad loved Dick and they had some fun times together with all of their pranks and shenanigans! My deepest sympathy to your family. RIP, Dick!

“ *My Dad Ralph Apodaca and Dick Loyd were best friends. They met while they painted together. They had a lot in common. They would go fishing. They would always prank each other way to many times to count. Dixie and Julie and Jeff you will be in my heart and prayers. I will miss Dick. Sincerely Dori Carroll and Jim Carroll*

Grandpa Dick and I were very close, every summer since I was a baby I would go and just spend days with grandma and grandpa. I will forever miss the times where I would just sit there for hours talking to grandpa about his life experiences and what not to do. I learned more on how to be a good person from that man he was truly an amazing and loving person. A memory I will never forget is all the times that grandpa, Don Nauta, and I would go out to lunch at verns, they would feed off of each other with jokes and Don truly made grandpa laugh. I am very thankful I had the memories and moments I have had with my grandpa and I miss him. I have grandma and the rest of the family in my prayers. -Brady

I can hardly find the words to express what a genuine and sincere man, I hadn't seen Dick in a few years but I'm going to miss him! I have very fond memories of Dick who I met through his son Jeff. I sure would like to go back and relive the hunting trip to Kansas with my Dad Jeff and Dick. I will see you on the other side Dick. - Russell Cook
