“ Ricky worked here at Poudre Valley Hospital where he was born, quite awhile. That is where I got to know him. We would always harass each other each time we would talk or see one another. He always was at work early, like myself, so we had several good talks. He loved, loved LOVED his kids!!
I will miss harassing him, but will always get a smile when thinking what a cool guy he was. You will be missed Ricky!

“ I used to hang out with Ricky as kids. He always made me laugh and was always good to me and had my back. I handing seen him in years as we took different paths. I saw him in June for the first time in years. We were both shocked and happy to see each other. I'm blessed to have got that last interaction with him. We lost touch but Ricky will always have a special place in my heart!

“ *I've known Ricky for almost 13 years. He was an amazing person, and an even more amazing father. He will be missed so much. This doesn't seem real as I had just talked to him hours prior. Hold your loved ones close and tell them you love them every chance you get. Rest easy now Ricky... let us know you're watching over us.*
