“ *I was very sad to hear of Rick's passing, our prayer to the extended Hoffman family.*

I first met Rick on our (Eden Foord, Steve Hoffman and I) road trip across this great country of ours during the summer of '84. I was very interested in meeting Steve's

Family since he had been a big part of my family in Santa Cruz since 1980. I met a lightly stern but pleasant man, considerate but straight forward. We all had coffee and talked where I was to discover the humorous side that was refreshing funny, sort of silly and a times off-beat. Later that night we said the rosary together before going to bed. It was enjoyable to meet the rest of the family as I met a little of Rick in everyone.

He is in our prayers as we said our rosary for him in his passing and think of him in those first days.
