November 18, 1938 - October 14, 2020

Richard (Dick) E. Weaver, 81, of Loveland, CO, passed away on October 14, 2020 after battling with Alzheimer's Disease. Dick was vibrant in life and did not leave this world gently but fought the disease to the end.

Dick was born to Donald and Lillian Weaver in 1938 in McCook, NE. He graduated from Grand Island High School in 1956, completed his undergraduate degree at Nebraska Wesleyan University in 1960 and entered the Army where he learned multiple languages in US Army Language School. Dick was a translator for the Army during his time in service. Upon completion of his military service, Dick used the GI Bill to attend Creighton University and graduated in 1968 with his law degree.

Dick worked in private practice in Wahoo, Nebraska and Grand Island, Nebraska, where he also served as an Assistant District Attorney. He was then appointed as County Court Judge for Hall County.

In 1982, Dick married Doris Silver and they spent 38 years building wonderful memories. After leaving Grand Island, Dick and Doris lived in Las Vegas, Nevada and Biloxi, Mississippi before settling in Loveland, Colorado. They enjoyed traveling together to the Caribbean and Europe. Dick was an avid reader and a Master Bridge player. He was actively involved throughout his life in theater, and church and community choirs. He was strong in his

Christian faith.

Dick is survived by his wife, Doris (Silver), daughter Amy and son Daniel, brother Allen (Laura), and nephews: Bryce, Colton and Luke. Dick was preceded in death by his parents and two older brothers.

In lieu of flowers or memorials, the family suggests a donation to the Colorado Chapter of the Alzheimer's Association (www.alz.org/co). “ I would like to share my husband's journey with Alzheimer's disease. He received his diagnosis two years ago at the age of 57, presenting with symptoms such as memory loss, difficulty finding words, and a pulsating sensation throughout his body. Initially, he was prescribed donepezil for six months, which was subsequently replaced with memantine. During this period, he was also diagnosed with dementia and began experiencing hallucinations and a diminished connection to reality. Suspecting that the medication might be contributing to his symptoms, and with the knowledge of his physician, I discontinued the memantine and commenced a natural herbal formula for Alzheimer's from AKNNI HERBAL CENTRE. Within three weeks of using the AKANNI HERBAL Alzheimer's disease natural herbal formula, his symptoms significantly declined. My husband, who is now almost 61, is doing exceptionally well, with the disease appearing to be entirely reversed. (Visit [www.aknniherbscentre .com](http://www.aknniherbscentre.com))

“ *The legacy Richard has left this family cannot be measured. His loss we are all grieving is tempered knowing he is now at peace with God and we are sure God has reserved a bench on the highest of high courts for him. Lois and i will miss his quiet solace and approach to the problems of everyday life, always seeking to help others through their endeavors.. We especially remember the good times with you and Richard on visits to the farm, family gathering on holidays and birthdays. We will fondly cherish the memory of him as both a "brother-in-law" and a close held personal friend. May God grant you his peace and comfort throughout this period.*

“Doris, I was so sorry to hear of Dick's passing. I have thought of you both so many times and wondered where life had taken you. He took me under his wing when I was a 19 year old kid, trying to be a probation officer. I learned things from him about how to treat people with respect and fairness. He would patiently explain his sentencings and the reasons behind them when I would question him. That was something else I respected about him. He would let me question him without reproach. His sense of humor was also something I got a kick out of. He would kid Diane Collins and me about the funny situations that often come up in that line of work. I missed him after he left and like I said, have thought of him so so many times. Cherish your memories of a life well lived together. It makes me smile to think of him, Judge Bush and Diane up in heaven together.

“ Judge Weaver was a member of my Family Preservation Project Team in Grand Island in the mid-80's. We all appreciated his perspective on the issues facing children and families at that time. Then, my husband, David, was appointed to be the "other" judge in Hall County in 1987 and they served together for a time. Dave passed away in February, 2014, so I'm guessing that the two of them are sharing stories about those days in Grand Island, so many years ago. Doris, I remember coming to your home for a Christmas holiday gathering. I still think of you both if I am in the neighborhood. I moved to Lincoln in 2017, but still travel to Grand Island now and then. I have friends who live several blocks from your former home. I will be in touch.... Thinking of you and remembering a fine man!

“ *Richard Weaver was a County Judge in Hall County, Grand Island, Nebraska. In thirty plus years in law enforcement, in courtrooms all over the USA, I never saw another one like him. He was the absolute epitome of what a judge should be: fair, yet firm, respectful with excellent knowledge of the laws of the land. I stood in his courtroom many times and watched him decide cases in that manner. My prayers are with you Doris, god bless you.*

Thank you Rodger. Working with law enforcement was one of his favorite things. I remember having law enforcement in the house all hours of the night for warrants. He enjoyed his work.

I remember Mr Weaver from school year 1963-1964, at Grand Island Senior High School. He was convinced to fill the position of German teacher, and there were perhaps sometimes when he wondered what he had gotten himself into. I loved his class, his enthusiasm. I will remember always that he invited his students to his home one time, and had prepared for us a Black Forest Tort. It was the most delicious thing! Layers of chocolate cake, "schlagsahne", and "kirsche" :)

I am so sad to hear of his passing, as you can imagine, as I remember him so fondly from over 50 years ago...
